

Betonipäivä 2024 "Carbon-free Concrete in new future" -seminaari & Vuoden Betonirakenne 2023 julkistaminen

25.1.2024, Dipoli, Espoo

Esiintyjät:

Tiina Parkkinen

Architect, Mag.arch.

Founder, CEO of Berger+Parkkinen Architekten

Born 1965 in Vienna, Austria, Tiina Parkkinen was later raised in Finland. Her career path began with studies of architecture at the Academy of Fine Arts Vienna in the Master's School of Timo Penttilä. In 1994 she received the Master Class Prize and graduated with distinctions. That same year she became a member of the Finnish Association of Architects. Since 1996 Tiina Parkkinen is a member of Austrian Chamber of Architects. She has held the position of the Chair of the Alvar Aalto Society Austria from 2015.

In 1995 Tiina Parkkinen and Alfred Berger founded Berger+Parkkinen Architects. In the same year they won the competition for the Embassies of the Nordic Countries in Berlin. Numerous successful competitions

and distinctions followed, currently including the prestigious Austrian State Award for Architecture and Sustainability (Staatspreis für Architektur und Nachhaltigkeit 2021), the Architecture Prize Land Salzburg and finalists of the Mies van der Rohe Awards. Regular lectures and exhibition activities in Europe, India, Mexico, and USA. Invitation to the Venice Architecture Biennale, the London Architecture Biennale, Galerie Aedes Berlin. Their work has been published internationally in leading architecture magazines, books, and other media. Berger+Parkkinen fabricates individual and sustainable buildings to a wide range of programs. Respect for various backgrounds and cultures is a key feature of the office' philosophy.
